ATTEST: This is a true copy of the Minutes of the Harrisville Town Meeting of March 14, 2000 Larry E. Stapleton, Town Clerk (March 21, 2000)

TOWN WARRANT The State of New Hampshire

The polls will be open from 11:00 AM to 8:00 PM.

To the inhabitants of the Town of Harrisville in the county of Cheshire in said State, qualified to vote in Town affairs:

You are hereby notified to meet at Wells Memorial School in said Harrisville on Tuesday, the thirteenth day of March, Two thousand one, at seven of the clock in the afternoon to act upon the following subjects:

ARTICLE 1. To choose all necassry Town Officers for the year ensuing.

ARTICLE 2. Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the Harrisville Zoning Ordinance, as follows:

To amend Article IV, 4.1.6 - General Provisions, by eliminating the requirement that accessory buildings located on the same lot as a principal building occupy no more than 25% of the lot area? (In all cases, lot coverage is governed by 4.1.14, which limits impervious coverage to 20% of the lot area.)?

Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board for the Harrisville Zoning Ordinance, as follows:

To amend Article V – Non-Conforming Uses, Lots and Structures, by eliminating the requirement that expansions of non-conforming buildings constitute no more than 25% of the structural footprint? (In all cases, lot coverage is governed by 4.1.14, which limits impervious coverage to 20% of the lot area.)?

Are you in favor of the adoption of Amendment #3 as proposed by the Planning Board for the Harrisville Zoning Ordinance, as follows:

To amend the definition of "Garage, Private" by replacing the word "car" with "motor vehicle"?

Are you in favor of the adoption of Amendment #4 as proposed by the Planning Board for the Harrisville Zoning Ordinance by amending the definition of "Lot Area" as follows:

LOT AREA: The area of a lot, site, parcel, etc., which is situated within the property lines of said lot, parcel, etc.; provided that if the area shall be measured only to the right-of-way line of a street, road or alley; and that it shall not include any part of a street, road, alley or area used in common with the owner(s) or occupant(s) of other lots? (Scored areas indicate old language.)

Are you in favor of the adoption of Amendment #5 as proposed by the Planning Board for the Harrisville Zoning Ordinance, as follows:

To amend the definition of "Nonconforming" by including the term "lot" as something that could be considered nonconforming (along with buildings, structures and uses)?

Are you in favor of the adoption of Amendment #6 as proposed by the Planning Board for the Harrisville Zoning Ordinance, as follows:

To amend the definition of "Structure" by clarifying that a structure is anything constructed or erected, whether permanent or temporary?

Are you in favor of the adoption of Amendment #7 as proposed by the Planning Board for the Harrisville Zoning Ordinance, as follows:

To amend the definition of "Subdivision" by noting that in all cases the provisions of RSA 672:14 apply to the definition?

Are you in favor of the adoption of Amendment #8 as proposed by the Planning Board for the Harrisville Zoning Ordinance to add the following new definition to Article XXVI:

STRUCTURE, TEMPORARY: A structure without any foundation or footings and which is removed when the designated time period, activity, or use for the temporary structure was erected has ceased?

Are you in favor of the adoption of Amendment #9 as proposed by the Planning Board for the Harrisville Zoning Ordinance to add the following new definition to Article XXVI:

TEMPORARY USE: A use established for a fixed period of time with the intent to discontinue such use upon the expiration of the time period?

Are you in favor of the adoption of Amendment #10 as proposed by the Planning Board for the Harrisville Zoning Ordinance, as follows:

To amend Article XIV – Growth Management Ordinance, by changing the Master Plan reference date from 1993 to 2000, and to note that the effective date of the ordinance shall be Town Meeting March, 2001?

(Vote by official ballot.)

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of \$30,000.00 for the purpose of maintenance and emergency expenditures for the Landfill. (Recommended by Selectmen.)

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$1,021.00 in support of Monadnock Family Services.

(Recommended by Selectmen.)

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 in support of the services of Home Health Care and Community Services, with \$500.00 going immediately for membership fee, \$216.00 going immediately for Meals on Wheels, and the rest paid as it is used.

(Recommended by Selectmen.)

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$1,129.00 as the Town's share for the studies and operations of the Southwestern New Hampshire Regional Planning Commission.

(Recommended by Selectmen.)

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the support of the Grand Monadnock Arts Council.

(Recommended by Selectmen.)

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the support of Camp Holiday.

(Recommended by Selectmen.)

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the support of The Community Kitchen.

(Recommended by Selectmen.)

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the support of Southwestern Community Services, Inc.

(Recommended by Selectmen.)

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$250.00 for the support of The Samaritans of the Monadnock Region.

(Recommended by Selectmen.)

ARTICLE 12 To see if the Town will vote to establish a Committee to study the efficiency of the current street lighting system.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$29,700.00 for the purchase of a new Police cruiser, and to authorize the withdrawal of \$19,700.00 from the Police Cruiser Capital Reserve Fund, with the balance of \$10,000.00 to be raised by general taxation. And furthermore, to authorize the Selectmen to trade in or sell the present cruiser, proceeds of which will be used to reduce the amount withdrawn from Capital Reserve. This is to be a non-lapsing fund (Recommended by Selectmen.)

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$30,000.00 for the purpose of resurfacing Town roads around the village canal. (Recommended by Selectmen.)

ARTICLE 15. To see if the Town will vote to rescind the amount of \$30,000.00 of bond authorization unissued. This amount being the unissued amount authorized under Article 3, Landfill Closure, March 1997, and Article 3, Landfill Closure, March 1996.

ARTICLE 16. To see if the Town will vote to discontinue the Library Foundation Capital Reserve Fund created in 1993. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Town's general fund.

(Majority vote required)

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$77,500.00 for Capital Reserve to be allocated as follows:

Highway Equipment - 25,000.00, Fire Equipment - 25,000.00, Police Cruiser - 5,000.00, Reappraisal - 2,000.00,
Town Bridges - 5,000.00,
Recreational Land - 10,000.00,
Dam - 500.00.
Recycling Ctr. Equip - 5,000.00(RSA 35:1)

(Recommended by Selectmen.)

ARTICLE 18. To see if the Town will vote to create a restricted Trust Fund for the purpose of maintaining the Veterans' Memorial Park as allowed under RSA 31:19. Furthermore, to allow the Town to accept in trust gift and legacies for such a Trust Fund until rescinded.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the purchase and installation of a fiberglass oil tank and alarm system for the Library.

(Recommended by Selectmen.)

ARTICLE 20. To see if the Town will vote to sell a parcel of land, identified as Map 30, Lot 32, Sublot 1, to Charles and Alida Carpenter for the sum of \$7,500.00.

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of \$10,000. for the purchase of the former Boston and Maine railroad bed, now owned by Verizon Wireless, identified as Map 30, Lot 86, and located between Brown Road and Lower Main Street, the approximate length being 1.3 miles, comprising 13.69 acres. Furthermore, to authorize the withdrawal of said sum from the Recreation Land Capital Reserve Fund.

(Recommended by Selectmen.)

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$13,500.00 for the purchase of an eighteen acre parcel of land, identified as Map 20, Lot 67, Sublot 2, and owned by Lawrence and Rita Rathburn.

(Recommended by Selectmen.)

ARTICLE 23. To see if the Town will vote to authorize the Selectmen to issue "Occupancy Permits" prior to the occupancy of any habitable structure.

ARTICLE 24. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town, gifts, legacies and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of \$562,215.00 which represents the operating budget. Said sum does not include special articles addressed.

(Recommended by Selectmen)

ARTICLE 26. To hear reports of Agents, Committees, and Officers chosen and pass any vote related thereto.

45 Market Street Manchester, New Hampshire 03101 (603) 622-7070 FAX: 622-1452

February 8, 2001

To the Board of Selectmen Town of Harrisville, New Hampshire

We have audited the general purpose financial statements of the Town of Harrisville, New Hampshire as of and for the year ended December 31, 2000, and have issued our report thereon dated February 8, 2001.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

The management of the Town of Harrisville, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in an internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate

In planning and performing our audit of the general purpose financial statements of the Town of Harrisville, New Hampshire for the year ended December 31, 2000, we obtained an understanding of the internal control structure. With respect to the internal control structure, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide an opinion on the internal control structure. Accordingly, we do not express such an opinion.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

This report is intended for the information of management and the Board of Selectmen. However, this report is a matter of public record, and its distribution is not limited.

Weelson Claring + Co. PC

OFFICE OF SELECTMEN

Two major events that occurred during the year will make Year 2000 a memorable one for all of us. The two events happened to be as extreme to each other as possible. We are referring to the death of Alan Laufman and the restoration of the General Store.

We were all saddened by the loss of our beloved Alan, a Selectman for thirteen years and possibly the biggest booster of our Town. Alan was caring, friendly, polite and considerate. He was methodical, very thoughtful, and always placed the Town of Harrisville first in every decision he made as Selectman. The Town has already missed him a great deal. May he rest in peace.

The much anticipated reopening of the Harrisville General Store with a twentieth century flair has to be the major most pleasant event of the last decade, at least. The store's staff and its offerings have received many accolades. If you haven't been inside yet, bring a friend and go visit. You will be pleasantly surprised.

The Future Search Committees have been very active during the year and are planning some outstanding activities that will be forthcoming.

The official papers for the Veterans' Memorial Park have finally been transferred to the Town. Again, many thanks to Larry and Rita Rathburn and to all those whose donations made it all possible.

We extend our heartfelt thanks to all the volunteers who give their time and efforts in participating in the various Commissions, Boards and Committees. We also extend our sincerest thanks to all the Town employees for the very fine work they perform. We trust that the citizens will again come forth and fill the few positions that remain available.

Panos (Pete) Pitsas, Chairman

TOWN OFFICE STAFF

There were no large projects such as 911 and the Landfill Grant application this year, but we kept very busy with our usual duties - inventories, assessment updates, tax bills, payroll, bookkeeping, assisting the public with forms and applications. With so many elections taking place, many voters had questions as to where and when the polling would take place.

If you need help with assessment records, Town or State forms, whatever, please feel free to call us. And although it is not included on the info page of this Town Report, you will find us here a few more hours each week.

Constance S. Boyd Laura A. Trudelle

Town Clerk

The Town Clerk's Office brought in a total of \$125,750.12 for the year 2000. Not bad considering we were only open approx. 364 hours last year! Here's a few fast facts about our Town. At the end of 2000, there were 1,349 vehicles, (including trailers, motorcycles and tractors) registered and able to travel on our roadways. This brought in the most revenue to our office, \$117, 504.00. Those of you wanting to save the trip to the DMV in Keene contributed an additional \$2,970.00. Sixty boats were registered last year bringing in \$1,850.29. Thanks to everyone who took the time to come down here to register a boat instead of mailing the registration back to Concord. Harrisville's dogs brought in another \$1,722.00. The balance is made up of all the other things we do at the Town Clerk's office: filing titles, looking up current registrations, issuing marriage licenses and certified copies of records, filing UCC's (documents securing personal property), selling dump stickers, filing dredge & fill applications, accepting declarations of candidacy, and a few other miscellaneous tasks.

For a list of the important stuff, births, deaths and marriages, check out the Vital Records section of the Town Report!

On January 30th, Harrisville became an official on-line agent with the State. Although some difficulties are still being worked out and some procedures still have to be done manually, we are excited about the change and feel this will benefit the Town in the long run. The Town did not have to purchase any of the equipment. One of the immediate advantages is the ability to verify the plate number on expired registrations. Previously, the owner had to take the registration to Keene to have the plate verified.

Once again, we would like to thank you for your patience as old clerks move on and new clerks need to be trained. We would especially like to Thank Maurice Barrett who has always been there when we need a hand.

We look forward to seeing each one of you within this next year!

Larry Stapleton and Belinda Thayer, Town Clerks

2000 Harrisville Police Report

The year 2000 was another busy year for the police department with a total of 717 calls.

These calls break down as follows:

- 390 miscellaneous calls (a call that requires a log entry only) Example; power-line down, assist fire department with traffic, loose dog, assist another department- no arrest.
- 245 calls for service (a call that needs a state incident report)- Example;
 assault, criminal mischief, domestic violence, or a call were there is an arrest or could result in one.
- 20 motor-vehicle accidents- includes all accidents, with or without personal injury.
- 28 burglar alarms- cause found or no cause found.
- 34 case reports- these are Class "A" misdemeanors or Class "B" or Class "A" felony cases.

We solved all but one of the case reports and that one is still under investigation. Numerous hours were spent on investigations with other police departments, state police, and federal agents. I attended several training courses, which included; a one-week investigation course at St. Anslem's College, three days at a DWI school at the Police Academy, also as a State Certified Firearms Instructor, I held classes locally to train other police agency's in basic and advanced firearms skills.

We participated in the DARE program again this year, thanks to Chief Ray Dodge in Marlborough by loaning DARE Officer Mike Goodchild. I had the opportunity to sit in on a couple of classes. The fifth and sixth graders were well behaved and were spoken well of by officer Goodchild.

We're looking forward to doing more in the way of moving and stationary radar in 2001; with the increase of case reports in 2000 we had to change our priority to investigations. These investigative hours were well spent, with this department being instrumental in cracking a string of daytime burglaries that had occurred in Cheshire County towns, including Harrisville. We have two felony cases still pending in Superior Court and look forward to working with the new County Attorney, Peter Heed.

The 911 project continues to roll along well, I would like to thank Al Chamberlain and Connie Boyd for making the commitment to keep track of new houses and working with the state on obtaining new numbers for them. It makes a tremendous difference to have the numbers placed in a location where we can see them easily and quickly in an emergency.

The year 2001 should bring the department into the digital radio network, as we will be part of a federal grant called 'Lawnet'. This new radio system will be compatible state- wide and will be a big plus for communications and officer safety. We were also one of the first departments to receive a Panasonic Toughbook laptop computer thanks to a grant from the University of New Hampshire and the New Hampshire Department of Transportation. This new laptop will allow us to do motor vehicle accidents in the field and down the road allow us to interface with the new radio system.

I would like to thank Officer Eric Hood for his efforts in the department, also the Selectmen, Fire Department, Highway Department, and the Town Administrative Staff for there help in the last year. I look forward to serving the town in 2001 and my continued work with the other departments. Just another yearly reminder - if you have an emergency - please do not call me at home, it waste time and could save your life - dial 911!

Chief Russell J. Driscoll

Fire Department Report - 2000

Well January 1, 2000 came and went with out a problem. Our trucks, computers, lights and generators are all still working.

Our Emergency Responses were up this year a total of 104. But calls took less man-power and time, which helped keep our budget down. Some areas of our budget were hit pretty hard (gas, diesel fuel & heating costs), our communication costs were also high (repair and replacement of radios), by shifting funds around we were able to stay with-in budget.

Our budget was also kept down with the help of "The Friends of the Harrisville Fire Service, Inc." They replaced most of our protective Turnout gear and "2" Automatic Defibrillators. Thank-you to the Friends, and all who donated to make this happen.

"Thanks" to the members of the Fire Company, for the many hours of training, and volunteering their time as needed, without you we could not operate.

Again" thanks" to Capt. Wayne Derosia and others, for the great Fire Prevention program at Wells Memorial school.

The new 2000 Chevy Tahoe Squad is in service, and can now safely transport personnel and gear to all emergencies.

Thank-you for all your support, it was another great year with little fire loss, and no injuries. Always remember to check your smoke and CO detector batteries once a year. Call 911 if they go off, or for any Emergency.

WE STILL HAVE A GREAT NEED FOR ADDITIONAL PEOPLE TO JOIN THE DEPARTMENT.

Rand E. Duffy, Chief

Harrisville Planning Board

The past year marked the end of a major piece of work by the Planning Board – the up-date to the Harrisville Master Plan that was adopted in February of 2000. This comprehensive planning document is the foundation upon which rests all of Harrisville's zoning, subdivision and site plan regulations. It includes extensive analysis of demographic trends and land use patterns, including the use of a computerized mapping system known as a geographic information system – GIS for short – that graphically display a range of resource and land use categories within the town.

In addition to providing important data and mapping information, the Master Plan lays out the goals of the Town for the next several years. These goals were arrived at utilizing a variety of techniques, relying especially upon the public input that has resulted from the lengthy *Future Search* process that Harrisville has pursued over the past several years.

Copies of the Master Plan are available at the Harrisville Public Library and at the Town Offices. Individuals interested to purchase a copy may do so at the Town Offices.

As part of our commitment to remove the mystery from the planning process we are very pleased with the two posters that we created in cooperation with the Southwest Region Planning Commission in an effort to "boil down" the Master Plan document into a more visual format. This effort is a first in the State of New Hampshire, and many communities are now interested to develop similar posters. The posters are permanently on display in the main hallway at the Town Offices. Take a moment to look at them when you are next waiting to meet with town officials or register your automobile. We appreciate your feedback on them and anything else that me be of concern to you.

Our effort in the coming year(s) is to look at all of Harrisville's zoning, subdivision and site plan regulations. It is our objective to make certain that they are in alignment with the vision and goals for the Town set forth in the Master Plan. Too often the Master Plan embraces one vision for a community, and the critically important cornerstones to land use in the community – zoning, subdivision and site plan regulations – do not allow the community to move toward the goals and vision embodied in the plan. We want to be sure that this is not the case in Harrisville.

There is a great deal of new thinking in the field of land use planning that represents a departure from the more conventional zoning approaches of the past fifty years – approaches that make it impossible to replicate the traditional scale and land use patterns of New England communities, for example. The new ideas in the land planning field provide innovative and creative ways to imitate these traditional New England land use patterns using techniques that are environmentally sound, economically advantageous and visually appealing. We look forward in the months ahead to presenting such options for consideration by the residents of Harrisville.

In addition to our on-going commitment to planning, during the past year the board considered a number of subdivision applications. The bulk of these applications were of the technical variety – lot line adjustments in particular – with only a few minor subdivisions – three lots or less – being consider during the year.

We also continue to support the *Future Search* reunions. Two were held in the last year, one of which launched several new community efforts, including the Harrisville Players theater group, as well as an effort to revive Harrisville Old Home Days. We, along with many others applaud the efforts of Historic Harrisville, Inc. to help the community realize one of the major goals from the original *Future Search* conference in November 1997 – "bring back the general store". There is little doubt that the reopening of the village store has had a wonderful and profoundly positive effect upon the community.

The board is also presenting to voters at Town Meeting the annual renewal of the growth management ordinance, changes to the limits on expansion for non-conforming buildings, as well as a changes and additions to definitions in the ordinances. This was done in cooperation with the Zoning Board of Adjustment as well as input from property owners in town.

We want to acknowledge the efforts of people who no longer serve on the board. In particular, Paul Manning, who served as Secretary, and who performed above the call of duty for some time when we were without a recording secretary. Paul moved from Harrisville to be closer to his workplace in Manchester. We, like many others in the community, miss the services of Alan Laufman, who served for many years as the Selectmen's representative to the board. He particularly brought a perspective of practicality to our work, and could always be counted upon to ease us quickly out of circular and unproductive discussions.

Finally, this report would be incomplete if it didn't acknowledge the hard work of board members, who spend considerable time reviewing documents, thinking through planning concepts we are considering, and thoughtfully reviewing matters before the board. This report would be lacking if it didn't express our gratitude for the extensive copy editing effort by Jeannie Eastman to carefully review the entire Harrisville Zoning Ordinances. It is now a more readable and grammatically complete document than ever before. We are also grateful for the services of Carol Ogilvie of the Southwest Region Planning Commission for her professional guidance and cheerful assistance in our efforts to update the Master Plan and especially in the development of the posters.

Ultimately were are grateful to the residents of the Town for their support of our work and efforts to assure that Harrisville continues to be a wonderful community in which to live and work and play.

Respectfully submitted,

John C. Calhoun, Chairman Richard Newman, Vice Chairman Donna Stone, Secretary Alton Chamberlain, Selectmen's Representative Jeannie Eastman

CEMETERY TRUSTEES

It has been a good year. Regular maintenance has been done in a timely and professional manner. Our thanks to Lee Rathburn for this.

During the year the Veterans Memorial located in Island Cemetery was moved to the new Veterans Memorial Park along the canal.

One project, the painting of the Riverside Cemetery wrought iron fence, was postponed to 2001. The reason for this was poor weather. Funds for this project already exist through donations.

Ours goals for the early 2001 are to continue and hasten improvements to all three cemeteries

Respectfully submitted, Lawrence Rathburn , Superintendent Max Boyd Richard Upton

ZONING BOARD OF ADJUSTMENT

The activity of the ZBA is much the same from year to year, with only the number of applications we hear being the major difference.

A large number of the applications we hear deal with the expansion of a home on a sub-standard lot. In the past, the Board stood consistently firm in adherence to the 25% expansion allowed in the Zoning Ordinance. Because of the number, and what often seemed as inequitable about this Ordinance, the Planning Board has proposed changes to this in a Warrant Article in 2001. We all hope that this will result in a more common-sense and fair addressing of this sometimes contentious issue.

I want to thank my fellow Board members for serving and ask fellow residents to see the Selectmen and volunteer to serve on the ZBA or the other Boards, as there is a real need for new members.

Sincerely,

Jay Jacobs, Chairman

HISTORIC DISTRICT COMMISSION

I would just like to say thank you for the opportunity to serve my Community in the capacity of Chair of the Historic District Commission. It has been an honor and a privilege and above all, an incredible learning experience. Thanks also to my fellow committee members over the past years.

I recommend highly volunteering your time to serve your Community. It has been an experience I will not soon forget and never regret.

> Respectfully submitted, Patricia Cotter-Englert

Conservation Commission

The Commission's primary activities continue to focus on matters relating to property usage. These include timbering, water resources protection, land conservation and large construction projects which may impact the environment.

The members of this body and the Greenspace and Water Resources Committee from the Future Search continue to work together to protect those properties key to the preservation of Harrisville's rural and historic character.

> R. Duke Powell Chairman

HIGHWAY REPORT

It was a typical year for the Highway Department - a mild Winter compared to most, the usual amount of salt and sand being used.

AT the Town Meeting, the Highway Department received the Citizen of the Year Award. To be considered for this award is surprising, but to actually receive it was an honor. Thank you.

During the Summer, gravel, to replace our depleted supply, was crushed at the Town pit. To make room for the new truck, we sold the 1972 Mack and the 1980 ten-wheeler. The new Mack arrived in August. We are adjusting to the wing controls on the truck. They are a little different from the others. We will apologize early for any missing mailboxes.

For 2001, we have a paving project planned in the Village, and plans to construct a building for the glass-crusher at the Recycling Center.

I would like to express sympathy for the loss of Alan Laufman. He was a dedicated Selectman and friend.

Respectfully submitted, Wesley Tarr, Road Foreman

Wes Tarr (right) accepts the Citizen of the Year Award on behalf of Donald Keough, James Porter, and himself. Presenting the Award are Selectmen Panos A. Pitsas, Alan M. Laufman, and Alton A. Chamberlain.

Harrisville Public Library

A Library is more than just a place to go and get books. We offer videos, audio tapes, and magazines, as well. Patrons can join in the craft programs - Valentine, May Basket and Winter Holiday themes.

A formal Friends of the Library has been established. After thinning the little children's book section, the Friends donated approximately thirty new books. Programming will be their next venture. Story time for youngsters will be the first. If you would like to join the Friends group, attend one of their meetings on the first Wednesday of the month at 6:30 PM at the Library.

The Library now has 5610 volumes in its collection. The video selection has grown to 330 titles. We offer approximately 16 magazine subscriptions for your reading pleasure. Through Inter-Library Loan, we continue to obtain titles not found in our collection. Circulation figures are holding steady. Novels and videos are just as popular as ever, but non-fiction circulation is not what it once was. This is most likely due to patrons being able to "surf the web", either at home or at the Library. The annual Book Sale was a huge success.

We would like to thank all of those wonderful people who help out at the Library. Having a roster of substitutes, extra people on hand, bulletin board designers, gardeners, and seasonal maintenance helpers keeps the Library running smoothly. We also wish to thank all of you for your support.

TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

There are 2,200 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The number of fires reported during the 2000 fire season was below average as referenced in the statistics below. Despite this, our network of fire towers and detection patrols were still quite busy with the fire towers being first to report over 135 fires. These fires were quickly and accurately reported to the local fire department for their prompt and effective suppression efforts. Wildland fires occurring in areas where homes are situated in the woodlands are a serious concern for both landowners and firefighters. Homeowners can help protect their homes by maintaining adequate green space around them and making sure that houses are properly identified with street numbers. Please contact the Forest Protection Bureau to request a brochure to assist you in assessing fire safety around your home and woodlands.

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing <u>ALL</u> outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. Forest Rangers have investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217, or for general information visit our website at www.dred.state.nh.us.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection system and reports from citizens aid in the quick response from local fire departments. These factors are critical in controlling the size of wildland fires, keeping the loss of property and suppression costs as low as possible. Due to permitting and fire safety concerns, please contact your local fire department <u>BEFORE</u> using portable outdoor fire places and vessels, including those constructed of clay, concrete or wire mesh.

Please contact your local fire department before doing ANY outside burning.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

GMAC Program Highlights:

Arts For Special Audiences brings the joy of art and entertainment to the people in our community who are unable to attend public presentations due to physical and / or psychosocial disabilities, age, or economic consideration. Performing and visual artists visit regional agencies such as Langdon Place, Headstart and Castle Center for monthly entertainment. We are pleased to be a recipient of a partial grant from the Monadnock United Way for this program, and thank those of you who contribute to the United Way campaign for your support.

Arts in the Schools provides regional school children the opportunity to experience art in the classroom. These presentations provide an educational experience of history, culture and song.

Art Walk turns downtown Keene into a storefront gallery for the community every spring. Regional artists display their work in this juried showcase, which is presented for ten days. Live demonstrations by artists inspire the artistic interests of visiting elementary school children.

Art Heroes is a special exhibit in Art Walk, that features the creativity and imagination of individuals who incorporate art into their everyday lives and careers. Past participants have included hairdressers, cartoonists, computer graphic experts and landscapers.

Art Auction is a delightful evening of art, music and artistic dining. Bid on your favorite piece and become the owner of an original piece of local art.

HCS - HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES REPORT TO THE TOWN OF HARRISVILLE JANUARY 1, 2000 TO DECEMBER 31, 2000

ANNUAL REPORT

In 2000, HCS - Home Healthcare, Hospice and Community Services continued to provide home care and community services to the residents of Harrisville. The following information represents a projection of HCS's activities in your community in 2000. The projection is based on actual services provided from January to November 2000 and an estimate of usage during the month of December.

SERVICE REPORT

SERVICES OFFERED	<u>SERVICES</u>	PROVIDED
Nursing	99	Visits
Physical Therapy		Visits
Speech Pathology	12	Visits
Occupational Therapy	0	Visits
Medical Social Worker	0	Visits
Homemaker Hours	0	Hours
Adult In-Home Care	45	Hours
Home Health Aide	153	Visits
Nutritionist	0	Visits
Meals-On-Wheels	360	Meals

Total Unduplicated Residents Served: 15

Regularly scheduled wellness clinics, child health clinics, prenatal and hospice care are also available to residents. Town funding partially supports these services.

FINANCIAL REPORT

The actual cost of all services provided in 2000 with all funding sources is projected to be \$27,205.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by the town. In 2000, town support totaled \$500.00 for home care and \$333.00 for Meals-On-Wheels.

For 2001, we request that an appropriation of \$3,000.00 continue to be available for services. This amount includes \$216.00 for the Meals-On-Wheels program and the balance to be available if needed for home care services.

Thank you for your consideration.

The Community Kitchen, Inc.

P.O. Box 1315 37 Mechanic Street Keene, NH 03431 (603) 352-3200

The Pantry Box Program operates out of a space in our building on Mechanic Street. Each box provides approximately three days' worth of meals for each family member. Computerized and handwritten records are kept of family names, number of people, street addresses, dates of receiving each box, income and age. Each family or individual coming in for the first time must fill out a form required by the USDA, and provide back-up documentation for all of the above information. Many referrals have been made to this program from Town and City. Welfare offices, school nurses and other agencies. Almost 80% of the food for this program is donated, and over 1,000 volunteer hours each month are worked by community members to ensure the success of the program. Take-home boxes of food are available on Wednesdays from 12.30 pm to 5.30 pm and on Thursdays from 11:00 am to 4.00 pm, or by special arrangement.

Hot meals are served Monday through Friday from 5 00 to 6 30 pm at our Mechanic Street location. Meals are prepared by a volunteer staff under the supervision of the Hot Meals Coordinator. Menus are planned after donated food is picked up at bakenes, delicatessens, supermarkets and restaurants. Meals consist of two or more entrees, salads, vegetables, fruit, bread, soup, desserts and beverages, and are served by volunteers. Guests/participants make up over 35% of our volunteer crew and help primarily with set-up and clean-up. We are not requesting any funding from your town for our Hot Meal program, but thought you might want to know about it

- a) Number of clients served 01/01/00 to 09/30/00 at the Pantry:
- # Unduplicated individuals 3,938
- # Unduplicated households 1,540
- b) Number of those who were Harrisville residents:
- # Unduplicated individuals 17
- # Unduplicated households 5

HISTORIC HARRISVILLE, INC.

Historic Harrisville marked the turn of the century with a burst of activity. In addition to continuing in its efforts to find both funding and tenants for the Cheshire Mills Complex, Historic Harrisville purchased the Harrisville Store and the Mackey House. The need for a store had been clearly established by Future Search, subsequent meetings made it clear that the Harrisville Store Building, built as a store in 1838, was the most appropriate location. With the support of generous donors, Historic Harrisville purchased the store in April and began the necessary repairs. The Harrisville General Store reopened in November and has enjoyed extraordinary, and much appreciated, support from the town since. The proprietors of the new store have fulfilled the town's wish for a store that would not only meet basic needs, but also be a welcoming place for townspeople to meet.

The Cheshire Mills Complex Historic Structure Report, funded by a Save America's Treasures grant from the National Trust for Historic Preservation and matching funds from the Monadnock Community Foundation, was carried out in 2000. The report documents the existing conditions, and the repair needs, of the Cheshire Mills Complex. Efforts in 2001 will focus on raising funds to implement the recommendations of the report.

Historic Harrisville notes with sadness the loss of Alan Laufman, Trustee, past-president, and active supporter of the foundation.

Historic Harrisville is a public, non-profit foundation that welcomes anyone to join us in our work. If you are not on our mailing list and wish to be, please drop us a note at Box 79, or call 827-3722. Everyone is invited to attend our meetings that are usually held on the last Saturday of April and October.

HARRISVILLE SCHOOL DISTRICT ANNUAL MEETING MINUTES MARCH 8, 2000

The Meeting was called to order by the Moderator Michael Potter at 7:15 PM.

<u>Article 1</u>: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

Ranae O'Neil moved that the District receive the reports of agents, auditors, committees and officers as printed in the annual report. The motion was seconded by Allan Laughman of 55 Nelson Rd., Harrisville, NH.

No discussion noted.

The voice vote was unanimous in favor of the motion.

Article 2: To see if the District will vote to raise and appropriate the sum of \$25,041.00 as a deficit appropriation to cover unanticipated special education tuition and transportation costs for the fiscal year ending June 30, 2000, or to take any other action in relation thereto. (The Harrisville School Board recommends approval of this warrant article.)

Stell Snyder moved that the District appropriate the sum of \$25,041.00 as a deficit appropriation to cover unanticipated special education tuition and transportation costs for the fiscal year ending June 30, 2000.

The motion was seconded by Jack Calhoun of 17 Main Street, Harrisville, NH.

A discussion ensued relating to a question for further explanation of the need for this action. Cameron Tease of the School Board explained the unexpected expenses for the current school year as we have students with special education needs. Per their IEP, these needs are met outside of our district and, therefore, require transportation and tuition costs.

The voice vote taken was unanimously in favor of the motion.

Article 3: To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries for district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto. (The Harrisville School Board recommends approval of the sum of \$1,455, 301.00.)

Cameron Tease moved to see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for District officials and agents, and for the statutory obligations of the District, or, if needed, to take any other action in relation thereto.

The motion was seconded by Stell Snyder.

Cameron Tease moved to amend the article by reducing the sum by \$25,347.00 and to read \$1,429,954.00.

Stell Snyder seconded the amendment.

A discussion ensued, explaining that the previously discussed student needs for special education out of the district will not be needed after June 30, 2000. The voice vote was unanimous in favor of the amendment. Cameron Tease reviewed at length the Proposed 2000-2001 School budget (so amended) noting the difference, if any, from previous years with a brief explanation.

The voice vote was unanimous in favor of the motion.

Article 4: To see if the District will vote to raise and appropriate the sum of \$4,500.00 for playground construction at Wells Memorial School and to authorize the withdrawal of said \$4,500.00 from the Capital Reserve fund established by the voters of the District at the March 22, 1986 District meeting for the purpose of financing construction or reconstruction of the buildings and grounds at Wells Memorial School, or to take any other action in relation thereto. (The Harrisville School Board recommends approval of this warrant article.)

Stell Snyder moved to appropriate the sum of \$4,500.00 from the Capital Reserve Fund established by the voters of the District at the March 22, 1986 District meeting for the purpose of financing construction or reconstruction of the buildings and grounds at Wells Memorial School. This money is to be used for playground construction at Wells Memorial School.

The motion was seconded by Allan Laughman.

A discussion ensued around where moneys would come from to pay for the playground. The money will come from this fund as well as other forms, i.e., fund raising and donations.

The voice vote was unanimous in favor of the motion.

<u>Article 5</u>: To transact any other business which may legally come before this meeting.

Ranae O'Neil moved that the meeting be closed until March 14, 2000 for the purpose of electing District officers.

Jack Calhoun asked to recognize Stell Snyder for her long term commitment to the School Board and for her contribution of promoting communication among the constituents.

Allan Laughman seconded the motion.

The voice vote was unanimous in favor of closing the meeting.

Respectfully Submitted by

Ranae N. Beeker, Clerk Harrisville School District

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the Town of Harrisville qualified to vote in District affairs:

You are hereby notified to meet at the Wells Memorial School in said District on the 13th day of March, 2001, Eleven O'Clock in the forenoon to bring in your votes for the election of school district officers. The polls will be open at 11:00 a.m., and not close earlier than the time of closing the polls for the election of town officials.

<u>ARTICLE 1</u>. To choose all necessary school district officers:

A member of the school board for the ensuing three years A moderator for the ensuing year A clerk for the ensuing year A treasurer from July 1, 2001, for the ensuing year An auditor for the ensuing year

Given under our hands at said Harrisville, this <u>7th</u> day of February, 2001.

Ranae S. O'Neil, Chair John C. Calhoun, IV Cameron M. Tease

STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the inhabitants of the school district in the Town of Harrisville qualified to vote in District affairs:

You are hereby notified to meet at Wells Memorial School in said District on the 7th day of March, 2001, at 7:00 p.m. to act upon the following articles:

- <u>ARTICLE 1</u>: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.
- ARTICLE 2: To see if the District will vote to accept and be bound by the financial provisions of a four-year collective bargaining agreement between the Harrisville Education Association and the Harrisville School Board which calls for the following increases in salaries and benefits: \$24,665.00 in 2001-2002; \$22,311.00 in 2002-2003; \$21,791.00 in 2003-2004; and \$22,225.00 in 2004-2005 and, further, to raise and appropriate the sum of \$24,665.00 to fund the costs for the 2001-2002 fiscal year. (The Harrisville School Board supports favorable action on this warrant article.)
- ARTICLE 3: To see if the District, if Article 2 is defeated, will authorize the Harrisville School Board to call one special meeting, at its option, to address Article 2 cost items only.
- ARTICLE 4: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto. (The Harrisville School Board recommends approval of the sum of \$1,474,116.00.)
- ARTICLE 5: To see if the District will vote to raise and appropriate the sum of \$5,000.00 for playground construction at Wells Memorial School and authorize the withdrawal of said \$5,000.00 from the Capital Reserve Fund established by the voters of the District at the March 11, 1986 District Meeting for the purpose of financing construction or reconstruction of the buildings and grounds at Wells Memorial School, or to take any other action in relation thereto. (The Harrisville School Board supports favorable action on this warrant article.)
- ARTICLE 6: To see if the District will appropriate and authorize the school board to transfer up to \$20,000.00 of its unencumbered funds, if any, remaining on hand at the end of the fiscal year, June 30, 2001, to the Capital Reserve Fund established by the voters of the District at the March 11, 1986 District Meeting for the purpose of financing construction or reconstruction of the buildings and grounds at Wells Memorial School, or to take any other action in relation thereto. (The Harrisville School Board supports favorable action on this warrant article.)

ARTICLE 7: To see if the District will vote to create an expendable general fund trust fund under the provisions of R.S.A. 198:20-c to be known as the Out-of-District Tuition Fund for the purpose of paying future year regular/special education out-of-district tuitions. Furthermore, to name the school board as agents to expend the principal and/or income therefrom for the purposes of the trust, and to appropriate up to \$20,000.00 to be placed into this fund, with such an amount to be funded from unencumbered surplus funds, if any, remaining on hand at the end of the fiscal year, June 30, 2001, or to take any other action in relation thereto. If there is an insufficient undesignated fund balance as of June 30, 2001 to fund this appropriation and the appropriation in Article 6 (capital reserve transfer), Article 6 will be funded first, with any additional surplus to be applied to this warrant article. (The Harrisville School Board supports favorable action

ARTICLE 8: To transact any other business which may legally come before this meeting.

Given under our hands at said Harrisville, this 7th day of February, 2001.

on this warrant article.)

Ranae S. O'Neil, Chair John C. Calhoun, IV Cameron M. Tease

GIVE STATEMENT OF RECEIPTS ON OTHER SIDE

ADMINISTRATIVE REPORT

The staff at Wells Memorial School has a definite sense of purpose -- to improve student performance. This is evidenced in the work it has done relative to curriculum revision, school environment, and professional development. It is also evident in the quality of work students demonstrate.

The staff has continued its efforts to monitor student performance. This effort relates to an adopted goal which states that, "students will demonstrate proficiency in the state framework standards of reading/language arts and math skills...". The staff is to be commended for its efforts to identify areas in need of improvement and develop a plan to make needed revisions in the curriculum and manner in which instruction occurs. The staff met with success in its efforts to modify reading instruction to enhance student learning. In much the same way, the staff identified some concerns related to student performance in math. This past year it assessed student performance and researched various math programs. A new program, Everyday Math, was adopted and implemented. This program places a greater emphasis on math applications, problem solving, and thinking in conceptual terms. It is closely aligned with the New Hampshire, as well as the National Council of Teachers of Mathematics frameworks and standards. It is a challenging program that the staff believes will reinforce its efforts to help students improve their math skills.

Monitoring student performance is not limited to classroom performance, but also includes other more standardized measures such as the New Hampshire Educational Improvement and Assessment Program (NHEIAP) test and the California Achievement Test (CAT). A review of the results generated from these tests shows Wells Memorial students performing well in most areas tested. At the third grade level, 74 percent of the students reached levels of Basic, Proficient or Advanced in English language arts. This exceeds the state average. It should also be noted that the average score on the writing test was greater than the state average. Seventy-five percent of the students reached the Basic level or better in mathematics. Although this compares closely with the state averages, it is an area that has been identified as needing improvement.

Wells Memorial sixth grade students performed relatively well on the NHEIAP with results showing that the students achieved at a higher level than the state average in all areas tested (language arts, mathematics, science, and social studies). As was the case with the third grade student performance in language arts and writing, this area was a relative strength at the sixth grade level. Although student performance in science showed achievement slightly better than the state average (with 54 percent of the students scoring at the Basic level or better), this is an area that will warrant attention.

The CAT was administered to students in grades four and five. Although the total battery scores for both grades show the students scoring above the national average, there are relative areas of strength and weakness. In looking at these areas it is important to do so from the perspective of trends. For example, at both grade levels, student peroformance is relatively strong in total language, reading comprehension, math applications and social studies. Examples of areas that need improvement at both levels include math computation, spelling and reading vocabulary. Given the small number of students taking the test, it is also important to monitor these trends over time. As has already happened, this monitoring will influence decisions related to curriculum.

Review of student performance at Keene High School shows Harrisville students performing at a level very similar to the overall student body. The grade point average in the core subject areas -- English, math, history, science, world language -- for Harrisville students is basically the same as for all Keene High students. World language is an area in which Harrisville students do particularly well. Twenty of the twenty-seven Harrisville students taking a world language earned a grade of "B" or better.

The staff at Wells Memorial School has created a school climate that is positive, challenging and conducive to student success. This has been facilitated by a "team" approach that fosters open discussion, collective problem solving and decision-making, ownership, cooperation, and a sense of pride. I am very impressed with, and appreciative of, the time and energy that the staff extends to various committees and after school meetings (including weekend or vacation) geared to curriculum work, analysis of testing results, professional development, etc. For example, the establishment of a school safety committee has provided a mechanism by which safety/security concerns can be identified and addressed. Through this committee, which works in conjunction with the SAU 29 Safety Committee, plans will be developed in response to concerns related to fire safety, communication, intruders, and evacuation. The safety of all those in our schools cannot be taken for granted, which is why this issue has become a priority for all districts within SAU 29.

To enhance the implementation of several initiatives at the school, the staff has been actively involved in a variety of professional development activities. Some of these include participation in the semester-long Research for Better Teaching (RBT) training; training in writing Individual Education Plans (IEP); and training in areas related to elementary mathematics, hands-on science, inclusionary education, reading disorders, and the responsive classroom. The rationale for involvement in all of these activities is to improve student learning.

Wells Memorial School is a reflection of its community. It is a small, rural school in which students and staff know and care about one another. It is a school that expects high performance. It is a school in which community involvement is critical to its success in achieving its mission. Please avail yourself of the opportunity to become involved in the school, its activities and at its public meetings. Plan to attend this year's district meeting on Wednesday, March 7, at 7:00 p.m. It is at this meeting that you will have an opportunity to act on warrant articles related to the school budget, a long-term collective bargaining agreement with staff, the Capital Reserve Fund, and an expendable trust fund to pay for out-of-district special education placements.

Phillip G. McCormack, Ed.D. Superintendent of Schools

PRINCIPAL'S REPORT

Wells Memorial School continues to promote academic and social skills through a mission statement and goals. These were created by the combined effort of a school/community committee, staff/school board retreat and WMS staff meetings. Our mission statement is "Knowledge and Responsibility for Today and Tomorrow." To accomplish this mission, we have three goals:

1. Wells Memorial School will provide a safe and socially responsive climate to ensure learning.

2. WMS students will demonstrate proficiency in the state framework standards of reading/language arts and math skills as assessed by multiple measures.

3. Every WMS student will be involved in at least six artistic experiences, two of which will require active participation by the

student, by the end of the year.

We made excellent progress in all three goal areas during the past year. There is now a WMS Safety Committee which includes staff, representatives from the fire and police departments, and a student council member. To increase student math proficiency, the staff also chose and implemented a new math program, Everyday Math. All students, including kindergartners, are participating in Everyday Math and the staff is meeting on a weekly basis to monitor and discuss this new program. To expand artistic opportunities, we have added the New Hampshire Dance Institute program to our fine arts curriculum. Over 25 of the 4th, 5th and 6th graders participated last year.

As of January, 2001, Wells Memorial School has an enrollment of 69 students, a slight decrease from last year. The breakdown of numbers, by grade level, is as follows:

Kindergarten	7	Grade 3	13	Grade 5	12
Grade 1	5	Grade 4	10	Grade 6	10
Grade 2	12				

We have four homerooms, two of which continue to reflect the model of multi-age grouping. There are: a morning kindergarten taught by Mrs. Hartshorne; one primary classroom (grades 1, 2 and 3 combined) taught by Mrs. Hanson (Mrs. Swope's maternity leave replacement) and Ms. Yardley; and two intermediate classrooms (grades 4 and 5 combined, and a separate 6th grade) taught by Mrs. Frick, Ms. Starkey and myself. Ms. Starkey also runs our federally funded Title I student support program. Mrs. Fulton, our special education teacher, and Mr. Bradley, aide, provide consultation and direct instructional support to students in an inclusionary model.

By the end of this school year we will have had two school wide themes. Since November, all WMS students have been participating in a comprehensive study of six historic buildings in Harrisville. A final exhibition, featuring a play with originally composed music, a museum and a newspaper, will occur in late February. Beginning in March, we will be exploring oceanography as a school wide theme. Ocean animals and plant life will be the primary topics to be researched by students.

This year the staff will have hosted two curriculum evenings. The first one occurred in October and was focused on our new math program, *Everyday Math*. The second one will occur in March and will be showing the various ways social studies is taught at WMS. These curriculum evenings are open to the public and anyone wanting to learn more about WMS is always welcome.

Our school is fortunate to have community volunteers who come to our school to work with students, share an area of expertise, give a tour of a local historical site, or offer to drive for a field trip. It is a pleasure to meet members of the Harrisville community and I welcome those of you interested in becoming future volunteers. Thank you.

Respectfully,

David Lesser Teaching Principal

COMPLIANCE STATEMENT

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Personnel Manager, 34 West Street, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 34 West Street, Keene, New Hampshire.

Phillip G. McCormack, Ed.D. Superintendent of Schools

HARRISVILLE FOOD SERVICE FUND REPORT
